Dear Sir:

In response to the Office Action dated November 29, 2002, the Examiner is requested to reconsider the application in view of the remarks set forth below.

Drawings

Applicant has submitted, concurrently with this amendment, substitute drawings and a separate letter to the draftsman requesting the substitution of the drawings in lieu of the original drawings.

In the Claims

Applicant does not present amendments to the claims herein. However, the unchanged pending claims are presented below for the convenience of the Examiner.

1. A system for providing an overhead image, comprising:
a scan region that receives a document containing data to be projected;
an illumination element that illuminates said document to produce image light;
means for capturing and digitizing said image light as digital information;
